Case No. 1:20-cv-01100-EPG(PC)
MOTION REQUESTING 60 DAY
CONTINUANCE TO COMPLY
WITH SCREENING ORDER

18
19 Comes now, Angel Ruiz, respectfully requesting of the
20 court a granting of a 60 day continuance to comply
21 with the courts screening procedures.
22

23 The request is supported by the following
24 enumerated environmental constraints:
25

26 ① The present COVID-19 "modified program"/lockdown
27 continues to significantly limit access to the necessary
28 documentation and resources.

② The assistance by fellow inmates in this matter has been compromised and I am severely limited in my knowledge of the court process.

③ The requested document, "Government Complaint Form" is not readily available and currently requested by oneself from the legal library services via correspondence.

④ I am currently seeking legal aid as the original submission in this matter was produced with the help of other individuals.

⑤ The revisions to be made to present a cogent argument and express case for which relief can be granted is significant.

So declared under penalty of perjury
of the U.S. law this Wednesday day of 02
December
